## ***KINGSMILL INDUSTRIES (UK) LTD MISSION STATEMENT***

Kingsmill promise to focus their efforts on the following elements in order to help us achieve and build upon success.

***Quality ----- Service ----- Manufacture ----- Pride ----- Trust ----- Development***

***Quality*** - To commit to quality throughout all aspects of the company including systems, procedures, development, manufacture, support and service.

***Service*** - To provide the highest standards of customer service, care and support.

***Manufacture*** - To manufacture high quality products to a standard that exceeds the expectation of our customer.

***Pride*** - To employ staff that take great pride in their work and genuinely care about the work they are producing for the company and our customers.

***Trust*** - To build long lasting and trusting relationships with every person and company that we trade with.

***Development*** - To continually look for ways to make improvement and development to the company.

## PRODUCT RANGE

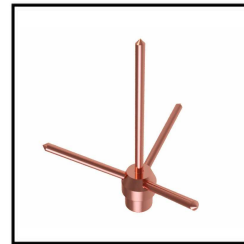

### **Earth Bars**

Standard Earth Bars, Earth Bars c/w Single  
Disconnecting Links, Earth Bars c/w Twin  
Disconnecting Links, Tinned Earth Bars, Bespoke Earth Bars

### **Air Termination**

Elevation Rods, Air Terminals, Multi-Points,  
Air Terminal Bases, Brackets, Couplers, Puddle Flanges

### **Earthing**

Copperbond Earth Rods, Solid Copper Earth Rods, Stainless  
Steel Earth Rods, Couplers, Driving Studs, Driving Heads,  
Driving Spikes, Coupling Dowels

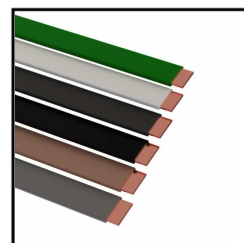

### **Earth Rod Clamps**

Rod to Tape Clamps, Rod to Cable Clamps, U-Bolt Clamps,  
Re-Bar Clamps, GUV Type Clamps, Rod to Cable Lug Clamps

### **Conductors**

Copper Bar, Copper Cable, PVC Sheathed Cable, Bare Copper  
Tape, Tinned Copper Tape, PVC Sheathed Copper Tape,  
Aluminium, PVC Sheathed Aluminium, Braid, Solid Circular

## PRODUCT RANGE

### **Conductor Network**

Square Clamps, Tee Clamps, Test Clamps  
Bi-Metallic Connectors

### **Clips**

Metallic DC Clips, PVC DC Clips, Push In Type Clips, Wrap  
Over Type Clips, Cable Clips, Tape Clips, Adhesive Clips

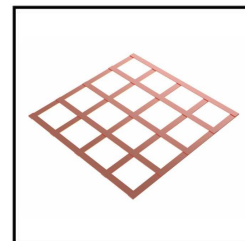

### **Earth Points**

Earth Bosses, Single, Two & Four Hole Earth Points  
Earth Points with Welded Tails

### **Earthing Plates/Mats**

Solid Copper Earth Plates  
Lattice Copper Earth Mats

### **Soil Conditioning Agent**

Bentonite  
Marconite

**Welcome to Kingsmill Industries (UK) Ltd**

We are a leading manufacturer and distributor of **earthing materials** and **lightning protection** products for the UK and international markets.

The company aims to provide the highest standards of service and customer care without compromising quality or price. Undeniably, quality assurance is of paramount importance to the company and, to ensure this, all products are designed and manufactured to meet stringent British and international standards - including BS EN 62305, BS EN 50164-1:2008, BS 7430 and UL467.

At Kingsmill, our wealth of knowledge in structural lightning protection, earthing and transient overvoltage protection gives our customers the ability to offer leading edge product development and unparalleled technical support. We are intrinsically sensitive to the needs of its customers and to the requirements of an ever-changing technological world.

Kingsmill Industries (UK) Ltd is an ISO 9001:2008 registered company - We have achieved the UK governments full ISO 9001:2008 National Accreditation in recognition of the high quality of our management systems and products.

This commitment to quality follows throughout all aspects of the company including manufacture, development and customer support and service. A commitment to excellent customer service is an integral part of the Kingsmill ideology. Part of this involves maintaining excellent stock levels on many of our core product ranges ensuring efficient dispatch schedules.
